#### Training:

Three members of the AirCare flight team conducted our annual skills testing. Our crews had to demonstrate how they would work in difficult and complex training scenarios. It was a great training day and we were able meet the goals and expectations.

#### Personnel:

Jordan Peachy has resigned from his full-time position effect the end of the month. Jordan has been with the County for 9 years working for EMS and previously in the 911 center. He was also a previous MCRS Volunteer. His understanding of the Madison County EMS system will be missed by us.

Carrie Thompson has accepted a part-time position and is already in her orientation.

We continue to advertise for two full-time positions. No interview dates have been set due to the low number of applicants.
