

Madison County Transfer & Recycling Center

4592 Shelby Road, Madison, Virginia 22727

Effective July 2, 2012 Madison County will begin Single-Stream Recycling

All recyclables are to be comingled into one container

Details of acceptable items are listed on the back of this flyer

Please see YouTube video of sorting system @

<http://www.youtube.com/watch?v=GroeqVYSkGk>

White goods, tire and brush recycling procedures and areas will be unchanged

Hang Tags are still required for residents to dispose of trash

There is no charge effective July, 1, 2012 for the tags and 2011 tags are still valid

One tag per household

New tags may be obtained at the scale house by providing:

Address and proof of residence

Telephone number

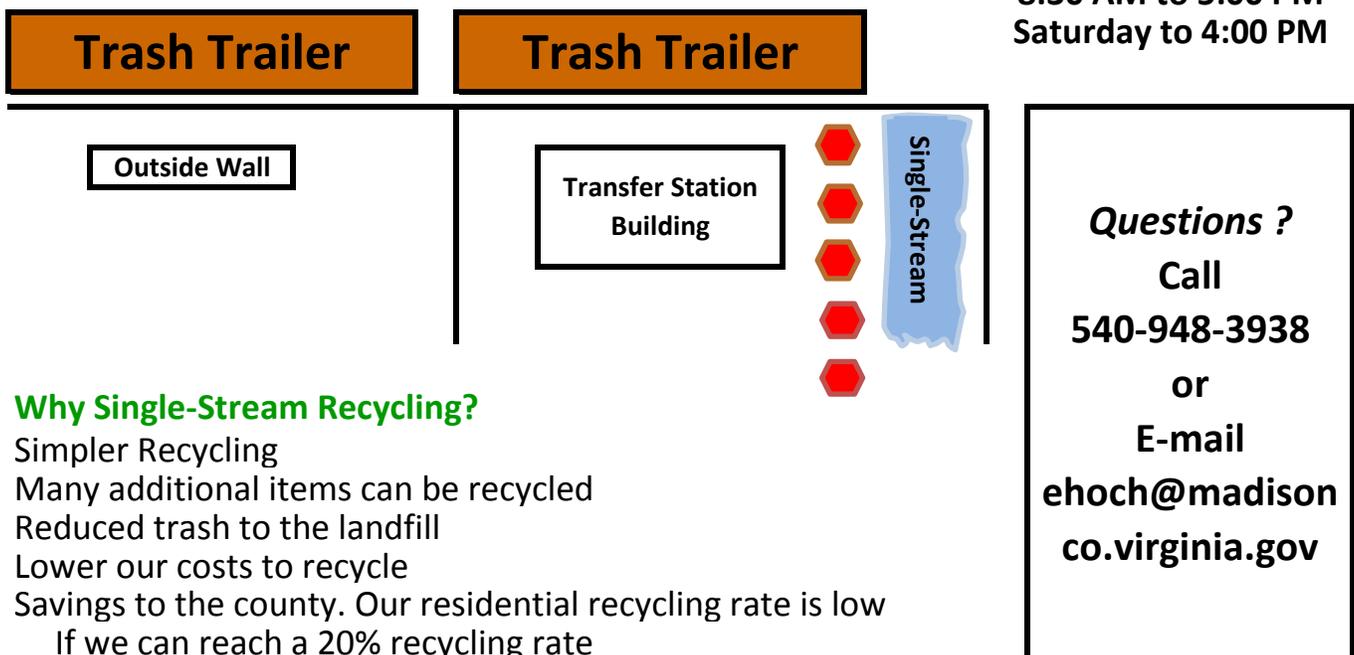

E-mail address (if available)

New Areas to Recycle Single-Stream Recyclables

Days & Hours of Operations

Monday, Tuesday, Thursday, Friday & Saturday

8:30 AM to 5:00 PM
Saturday to 4:00 PM

Why Single-Stream Recycling?

- * Simpler Recycling
- * Many additional items can be recycled
- * Reduced trash to the landfill
- * Lower our costs to recycle
- * Savings to the county. Our residential recycling rate is low
If we can reach a 20% recycling rate
The county would save over \$43,000 per year in disposal costs
